Chapin Woman's Club provides grants

The Chapin Woman's Club's mission is to support local charities, schools and nonprofit organizations. All monetary support for these organizations must originate with a written request for funds submitted by a sponsoring member to the Board. The official "Request for Funds" form is maintained on the CWC website or a copy can be obtained from the Treasurer. All Requests for Funds must be submitted to the Board by January 15 of the current Club year for consideration during that Club year.

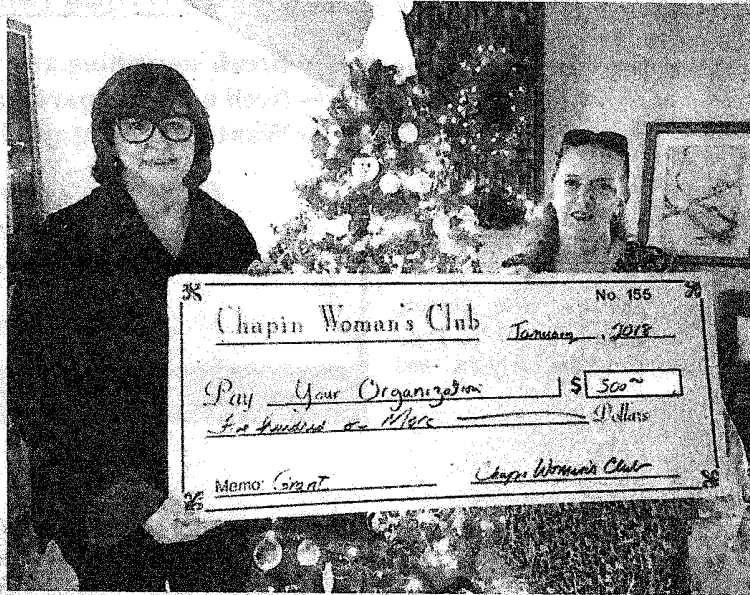

In order to promote civic progress in our town, Chapin Woman's Club (CWC) provides grants. The money raised annually in the fall is typically designated to fund needs throughout our community of Chapin. We do this by selling pecans, and hosting Celebration Tables. Based on the amount of money raised and the requests submitted for funding and board consideration, CWC club members vote on the perspective recipients of the grants.

The grant application form can be found on our web page www.chapinwomansclub.com. The deadline again for submission is January 15, 2018 to our club

president, Amy Warren. By mail or e-mail.

Depending on your organization's project needs, grant requests can be for a couple of

hundred dollars to a couple of thousands. Chapin Woman's Club is a 501-C3 organization. Recipients will be notified in the spring.
