Chapin Woman's Club presents check to Chapin Branch Library

CWC President Amy Warren and Lyn Long present the grant to Christine Meade of Chapin Branch Library.

The Chapin Woman's Club this month awarded the Chapin Branch Library funds to purchase an historical American Girl doll, Melody Ellison, and her accompanying storybooks.

Melody's story is that of a young girl growing up in Detroit in 1964. Melody teaches girls about the struggles minorities faced in the 1960s and today, about how we can all stand up for justice no matter our age, and about believing "Everybody's got a right to shine."

In the past, Chapin Library's "American Girl" programs supported by the Chapin Woman's Club have been well attended with 30 or more children participating.

CWC President Amy Warren and Lyn Long presented the grant to Christine Meade of Chapin Branch Library.
